Nealz Nuze: Today's Nuze

BOORTZ

"When plunder becomes a way of life for a group of men living together in society, they create for themselves in the course of time a legal system that authorizes it and a moral code that justifies it."

Frederic Bastiat

What others are saying

Fatwa

Could this be the beginning of a protestant Islamic reformation? Could Muhammad Tahir ul-Qadri be the Muslim Luther? It might be this is mere lip service or a PR stunt to say.. see.. We're not all blood thirsty dark age barbarians. I really do hope this might be the beginning of something good so I can stop detesting Islam as much as I do Union Members.

hey Tom

I agree, the house mural fine is stupid. Those jack booted thugs gave the woman 9 days to repaint her garage in the middle of one of the worst winters ever. So now she has to take time off to go to court (whereas the idiots in the Zoning Department will be working whenever they are in court), paint outdoors in winter or simply pay a \$150 a day fine. As Jon Stewart said about something similar the other day: Why? F*** You! That's why!

Dirty PCs

Hmmm, I wonder if I should open up my home computer. I don't think its THAT bad, but it could probably use a cleaning.

Murals and snow women

A fine for the house mural? Give me a break! That looks really good!

And, the "snow woman" looks a LOT sexier with the bikini. It's also well done.
