### Video: CNBC's *Power Lunch* on Privatization

**Leonard Gilroy**

March 11, 2010, 2:41 pm

I was featured in a short segment on CNBC's *Power Lunch* today that focused on the potential for privatization to help drive down costs for cash-strapped local governments in New Jersey, followed by a debate between the Cato Institute's Chris Edwards and PIRG's Phineas Baxandall on the merits of infrastructure privatization. Check it all out here:
