Video: The Real Fiscal Cost of Government Run Health Care

Posted By [Conn Carroll](#) On November 10, 2009 @ 4:09 pm In [Health Care](#) | [8 Comments](#)

The Cato Institute's Dan Mitchell and the [Center for Freedom and Prosperity Foundation](#) ^[1], have produced videos [explaining why Keynesian economics is wrong](#) ^[2], [presenting the evidence that big government hurts economic growth](#) ^[3], [explaining how big government hurts economic growth](#) ^[4], and [making the case against the Value Added Tax](#) ^[5].

Now Mitchell is back talking health care with a new video title, [A Red-Ink Train Wreck: The Real Fiscal Cost of Government-Run Healthcare](#) ^[6]. Watch:
