BEAR?  
OR BULL?

## March 29, 2010

ARNOLD KLING: Health Care Bill Woke A Sleeping Giant: "For many Americans, March 21, 2010, is a date that will live in infamy. Unlike Pearl Harbor or the September 11, 2001, attacks, which offended nearly all Americans, the health care legislation only angered a significant proportion of the population. However, those of us who are outraged are motivated to wage a long fight, and our aims go much further than rolling back this one bill."
