(Kirby Wilbur Show) Thu. May 28th, 09

Highway 2 has put up a sign that alerts its commuters how long it's been since the last accident. Is this necessary?

By AJ

A school didn't like one of their students' hair style. They sent him home. When he came back the following day with only a shorter hairstyle they gathered the [principle and a teacher and shaved his head!](#) [The kid is only 6 years old.](#) Is this right?

Kirby gives a Green [update from Nancy Pelosi](#) to the man who smells forests. Don't scoff, Kirby brings [the science that proves that trees pollute.](#) That and, [your favorite electronics are consuming vast quantities of electricity.](#)

Kirby acknowledges that Obama's SCOTUS nomination can not be stopped because Sonia Sotomayor has a great American Story. Kirby, however, tells other American stories of other legal minds, including Clarence Thomas.

Christopher Preble with the Cato Institute joins Kirby to talk about [Obama's visit with Saudi Arabia king Abdullah.](#) Will he bow to him, or maybe dignify his office and nation with a simple handshake?

The [sign costs \\$12,000 with the simple design of telling those driving on Highway 2](#) how long it's been since an accident. Is this effective or useful at all? Some claim it's a waste, and a potential distraction.

Gary Malkasian, [president of the Foster Care Justice Alliance,](#) joins Kirby for an update on the Poca Langley situation, and alerts listeners to an upcoming rally. Denny Juvenile Justice Center rally is at 10 am this coming Tuesday.
