One Nation Under Arrest

Yesterday, the Heritage Foundation released an edited volume, *One Nation Under Arrest: How Crazy Laws, Rogue Prosecutors, and Activist Judges Threaten Your Liberty*.

Contributors include the Cato Institute's Tim Lynch and former U.S. Attorneys General Ed Meese and Dick Thornburgh.

Also included is a chapter I wrote, on recent trends in New York criminal law. Topics I cover include the multiplication of regulatory criminal offenses, changes to the Rockefeller drug laws, the sweeping Martin Act, and the policing innovations that cut crime in New York City.
