

BOORTZ

"When plunder becomes a way of life for a group of men living together in society, they create for themselves in the course of time a legal system that authorizes it and a moral code that justifies it."

Frederic Bastiat

Earlier this week I told you about a young man in Florida who really has my attention. His name is Marco Rubio, and he's running against Governor Charlie Crist for the republican U.S. Senate nomination for 2010. Can the Republicans take the Senate? [Karl Rove thinks there's a chance!](#)

OK .. earlier this week it was Marco Rubio. Here's another possible Republican rising star. His name is Gary Johnson, the former governor of New Mexico. [I'm thinking you might really like his website.](#)

Harry Reid and his Looters still want to [put America on the road to a single-payer system](#). This is the Democrat holy grail.

Are you aware of the Medicaid nuclear option? [Read this](#) .. you need to.

The Cato Institute explains how we are [spending our way into more debt](#), not "out of a recession."

[The GOP is forming a counter delegation](#) to attend next week's summit in Copenhagen.

[OwlGore and Sarah Palin are at it over Climategate.](#)

Obama says that the [GOP needs to stop "trying to frighten the American people"](#) when it comes to the government takeover of healthcare.

House Majority Leader Steny Hoyer says that [Congress has to pass new legislation](#) in order to spend leftover TARP funds for job creation.

A leading scientist speaking out at an alternative "skeptics' conference" in Copenhagen says that [global warming is caused by the sun's radiation](#).

Who did Obama pick to head the National Highway Traffic Safety Administration? [A former trial lawyer lobbyist](#). Senator Barbara Mikulski says [it would be "morally wrong"](#) for members of Congress to vote against the health care bill.

The Senate wants to create a [bi-partisan fiscal task force](#) to reign in federal spending and lower the deficit. Maybe it will be just as successful as its coalition on earmark reform.

From Forbes Magazine: [Obama isn't cutting it on the economy.](#)

The CEO of GM says that [executives have succumbed to greediness](#) and should use their leadership to close the gap between the rich and the poor.

During a recession, Americans have managed to [become bigger blubberbutts](#).

Yes I know .. our politicians right now have a lot on their plates [including the college football bowl system](#).

You can't make this stuff up ... A branch of the University of Minnesota may require all education courses at the school to [make race, class and gender issues the "overarching framework."](#)

The Chinese government has decided to [raise the earnings of the middle and low income groups](#). Just like that.

We now have a solution for global warming ... [garlic and oats](#).

An FYI for my listeners: [coffee increases drunkenness](#).

[What is your child eating](#) at his/her government school?

[Robber attacks the wrong hot dog vendor](#).

[The lowest income groups in the U.S. give a larger percentage of their income to charity](#) than higher income groups.
