[The Cato Institute has a great synopsis](#) of what the healthcare bill means for the insured, the uninsured and everyone else in between.

Nancy Pelosi and Henry Waxman are [willing to sacrifice 20 to 40 Democrat representatives](#) in order to pass healthcare reform. Easy for them to say.

Al Gore has set a date to pass climate legislation in Congress - [April 22nd, which is Earth Day](#).

Did you hear how Al Gore was [embarrassed in Copenhagen](#) after being caught spouting off false global warming figures?

The United States is now [counting on cows](#) to help save the planet. Yes, cows.

[Even Bernie Sanders admits](#) that passing healthcare legislation does not mean that healthcare costs will not continue to rise.

The Senate healthcare bill could make middle class families [pay a \\$15,200 annual federally-mandated insurance fee](#), according to the Congressional Budget Office.

Democrats in the House plan on [passing a \\$75 billion jobs bill](#) before they leave for the holiday break in order to keep the unions happy.

[Here is a list of 100 reasons](#) why climate change is natural and not man-made.

Republicans who voted against financial reform last week are already being subject to attack ads stating that [they are in bed with Wall Street](#).

What's it called again when [producer prices increase](#) but your dollar is worth less?

This from CBS News .. young people are being [pushed into homegrown terrorism](#) because of all the anti-Muslim propaganda since 9/11.

Nancy Pelosi may be nominated for Time Person of the Year [but she is not the people's choice](#).

Pittsburgh may become the first city [to tax student tuition](#). What will politicians think to tax next?

A 17-year-old high school kid has sex with his 15-year-old girlfriend. Now he is a sex offender. Years later he is seen playing basketball in his driveway [and may go to jail](#) .. because he is too close to a school.

I love these DRT stories. [Here's one from Gainesville, Florida](#).

[Here's another DRT story](#) of a man who died trying to break into a sandwich shop after getting stuck in a vent pipe.

[Texting is edging out cell phone conversation](#) in popularity.
