Obama's job approval rating is below 50%, a plurality of Americans view the Democrat party in a negative light and [55% of people believe the country is headed on the wrong track](#).

Have I been telling you that this Copenhagen debacle was all about destroying Capitalism? [Watch this video](#). Republicans want to remind Barack Obama that he can't do anything about climate change [without Congressional approval](#).

As Obama, Harry and Nancy take their party down an unpopular path, other Democrats [aren't willing to stick around for the joy ride](#).

Climategate just got a little juicier now that the Russians have confirmed that the UK scientists [tampered with Russian meteorological-station data](#).

Coming soon to the United States .. The European Union's flagship cap-and-trade carbon credit trading system is [plagued by massive fraud](#) and is effectively under the control of organized crime.

I hope our politicians heading over to Copenhagen [rack up huge carbon footprints](#) in the process.

Congressional travel is nothing new, but it is still [expensive .. and paid for by your tax dollars](#).

Do we essentially have [a tax hike commission](#) being set up in Congress?

According to a campaign historian, [Ronald Reagan was one of the four greatest presidents of all time](#).

The Clean Water Act is being rewritten to [give the EPA the power](#) to regulate every body of water from the Mississippi River to a rain-flooded field.

Our home state of Georgia has to use [\\$70 million in federal loans](#) in order to pay benefits to more than 260,000 unemployed state workers.

A new study found that [women wrinkle more easily](#) as compared to men.

And now for a state-by-state list, [from happiest to least cheery](#).
