Legal Challenges to Healthcare Reform Law Under Way

By Joyce Frieden, News Editor, MedPage Today
 Published: May 06, 2010

RATE THIS REPORT

WASHINGTON -- Before the ink was dry on the President Obama's signature, strategies for legal challenges to the Patient Protection and Affordable Care Act were under way. In this MedPage Today audio report, legal precedents for those challenges are discussed.

AUDIO REPORT
 Roger Pilon
 Vice-president for Legal Affairs
 Cato Institute
 Sen. Orrin Hatch
 (R-Utah)

Experts gathered for a Cato Institute forum provide prospectives on the challenges being prepared by 21 state attorneys general. In this report, Roger Pilon, vice president for legal affairs at the institute, and Sen. Orrin Hatch (R-Utah) discuss the legal maneuvering that is likely to begin in the next few weeks.

MedPage Today provides daily, peer-reviewed medical news articles, written specifically for the clinician.

Why register?

1. While we cover most medical specialties, you can personalize the site to focus on your medical interests.
2. Know before your patients ask. Have quick access to evidence-based data, when patients print out what they found online and may be from questionable sources.
3. Optional breaking Medical News alerts. We NEVER sell, rent or otherwise share your personal data.
4. Have the option to participate in occasional paid surveys.
5. See article recommendations based on your specialty and declared interests.
6. Earn quick CME or CE credit for reading the news. Available on most articles.
7. It's Free
