Endgame

8 million stories out there:

- I sort of sympathize with Sarah Palin and don't think I have a favorite founding father.
- Don't tell Jim Manzi but [Denmark's super-rich](#) and features sky-high taxes and tons of green policies.
- The Shadow Editors [on "looting"](#).
- [Listen to](#) Fareed Zakaria.
- [Dill goggles](#).
- I didn't think I'd ever see a [military intervention](#) Chris Preble approves of.

For Harold Ford, a double feature of ["Empire State of Mind"](#) and ["Yeah! New York"](#).

don't think I have a favorite founding father.

Osiris.

(What, we're talking about a different bullshit creation myth?)
