## **Nick Gillespie Defends the Indefensible of Fox Business' Stossel**

[Nick Gillespie](#) | August 22, 2011

Reason's Nick Gillespie appeared on [Fox Business' Stossel show](#) on August 18, 2011, to "defend the indefensible." The co-author of the new book [\*The Declaration of Independents:\*](#)

*How Libertarian Politics Can Fix What's Wrong with America*, Gillespie and David Boaz of the Cato Institute and Alex Tabarrok of George Mason University made the moral and economic case for often-vilified practices ranging from ticket scalping to human-organ sales to the creation of private currencies.
