[The Burgeoning US Police State](#)

Posted by [Lew Rockwell](#) on May 11, 2010 10:23 AM

So Lieberman and McCain, the Obama administration and the neocons, the think tanks and the media, want to [strip](#) any American citizen accused of terrorism of his citizenship (by which they mean his human rights), and fly him to a foreign concentration camp for torture, indefinite caging, and perhaps secret execution. Of course, this is simply the latest “ism” of so many—OMG, they’re everywhere!!—used to justify the dehumanization of the regime’s enemies of the moment, and its increasing power and pelf.
