## UW LAW VS. CATO INSTITUTE

BY MIKAYLA HALL AT 7:12PM

MAY 26, 2010

Tomorrow the University of Washington–Seattle's YAL chapter will host a [health care debate](#) between UW Law's Prof. Stewart Jay and the Cato Institute's Ilya Shapiro. It's in response to the program's first health care forum, for which the school claimed [they were unable to find someone](#) to challenge the constitutionality of the recent health care reform bill due to time constraints.

Citing UW–Seattle specifically, Ilya Shapiro, a senior fellow of constitutional studies at Cato, [issued a challenge](#) to debate the constitutionality of the bill anytime, anywhere. YAL–UW accepted that challenge, with the help of UW Law, the Federalist Society, UW College Republicans and the UW Young Democrats.

If you are unable to be in Seattle, but would like to watch the podcast, you can find it [here](#).
